If you have thought about going on this prestigious veteran car tour, this is the year to do it. We've invited special guests, added an extra day of touring, and will be offering a collector's edition souvenir program, and other commemorative items. We've arranged for a "Shore Lunch" on one of our touring days, a real state classic—fresh caught Minnesota walleye pan fried, served up by the lake, with all the fixings.

The NLNB continues to be an exceptional tour for the really old ones. It is run during great weather, on rolling country roads past scenic lakes, farms and towns. "Minnesota Nice" is present in all the communities we drive through and stop in. Everyone is treated to a smorgasbord of hospitality second to none!

Consider the following:

- 160 miles of touring on pre-tours scheduled for Tuesday, Wednesday, Thursday & Friday
- 120+ mile Grand Tour on Saturday, making it a do-able challenge in a day
- 5 rest stops in towns along the way that will roll out the red carpets for you
- Volunteer tow drivers to transport your trailer, motor home, etc., to the end of the tour for you
- Specially-plated commemorative medallions to all finishers
- Photo and write up in the commemorative program for the event

Please note:

- You are encouraged to register early to help us plan for you and to guarantee a volunteer transport driver.
- The registration fee for the "Silver Anniversary Run" has been set at \$140. You can take advantage of 2010 pricing (\$120) if you register by May 1st. See forms for details. No walk-in registrations will be accepted this year.
- You're welcome to join us for only the pre-tours if you like for a fee of \$25. See details and eligibility on the enclosed forms.
- Please complete the entire registration form and sign it. We are especially interested in details about your car so we can include them in the program we will be writing.

Join us in celebrating 25 years of Minnesota touring!
